

SPECIAL BRUSH PICK-UP REQUEST

(Please see Rules listed below)

\$60.00 must be paid with request.

Brush Pick-Up is for brush and cut logs only.

Resident Name _____

Address _____

Phone Number _____

Date Ready for pickup: _____

(24 Hr Notice Required, DPW schedule permitting)

Brush Pickup Rules:

- Brush must be cut by residents, **not by contractors.**
- Brush must be piled **parallel with the road** (all cut ends pointing in one direction).
- Brush piles must be in lengths of 6' or less, **not one continuous pile.**
- Brush must be piled separate from logs (logs should be no longer than 3 feet).
- Brush must be piled on road edge closest to your house (not across street in boulevards).
- This application covers one truck load of brush and logs. Each truckload can carry approximately 10 to 12 cubic feet of material. Any additional pick up will require another application and fee.
- Brush **cannot** be piled:
 - Next to telephone poles, trees, fences, rocks, mailboxes, or any other objects
 - Under wires or branches
 - On tarps
 - In garbage cans or bags
 - With trash or yard waste (grass clippings, garden waste, leaves, paper, plastic, etc.)
